

CSMT2018: Proceedings Guidelines

The scientific committee of the Conference CSMT2018 and the editors of the journal “Advances in Pure and Applied Mathematics”:

<https://www.degruyter.com/view/j/apam>

plan to publish the Proceedings of the Conference as a special volume of the journal. The followings summarize the guidelines for papers submissions to the Proceedings.

1. Every participant (not necessarily a speaker) to the conference is eligible to submit a paper for a possible publication in the conference Proceedings.
2. The submission deadline for the Proceedings is October 30, 2018.
3. No limit for number of pages of a submitted paper is required.
4. The reviewing procedure of the submitted conference papers is the same as the peer review procedure of the regular research papers of APAM.
5. The submitted papers have to contain original results. Very well written review papers are considered for publication in the conference Proceedings.
6. Authors can submit their works to Professor Ali Baklouti, the President of the TMS: Ali.Baklouti@fss.usf.tn
