

First international Conference on Dynamical Systems

**In honor of Ezzeddine SALHI
Hammamet, Tunisia,
September 04-08, 2017**

Second announcement

The research unit “Dynamical systems and their applications” of the Faculty of Sciences of Bizerte and the Research laboratory “Dynamical systems and combinatorial” of the Faculty of Sciences of Sfax with the cooperation of the Mathematical Society of Tunisia, organize in honor of Ezzeddine Salhi, the first international conference on Dynamical Systems.

The conference is on dynamical systems and will be aimed at topological dynamics, low dimensional dynamics but other parts of dynamical systems theory, are not excluded. It will include lectures by internationally renowned speakers who have led the progress in the field. There will be opportunities for interaction, exchanging of new ideas and discussion among participants of all levels.

Scientific Committee:

F. BALIBREA (Univ. of Murcia, Spain), C. BONATTI, S. LUZZATTO (ICTP, Italy), H. MARZOUGUI (Univ. of Carthage)

Organizing Committee:

I. NAGHMOUCHI (Univ. of Carthage, Tunisia), H. MARZOUGUI (Univ. of Carthage), R. AZIZI (Univ. of Carthage), A. BEN AMAR (Univ. of Sfax, Tunisia), G. ASKRI (Univ. of Carthage, Tunisia)

Scientific program

There will be

- Plenary conferences
- Communications
- Session poster

Oral and Poster Contributions

All participants are welcome to present a poster. Posters will be displayed during the entire meeting. If you wish to present a communication, please email gassen0039@hotmail.com or

hmarzoug@ictp.it

Notification of acceptance:
5 August 2017.

Venue

The conference will take place in Laico Hammamet Hotel. Arrival day is 04 September and the departure day is 08 September. The first talk will be given in the morning of 05 September and the last one in the afternoon on 07 September.

Airport

The hotel is located 73 km away from Tunis-Cartage Airport (1 hour via Highway) and 44 km away from Enfidha airport (40 min via Highway) .

Social program

We plan to visit some historic places.

Registration fee: 50 Dinars (Equivalent 20 Euros). There is no Registration fee for Msc and PhD students.

Accommodation fee for Tunisian participants (in a double room): 500 Dinars

Accommodation fee for non Tunisian participants (in a double room): 250 Euros.

Accompanying persons: 500 Dinars

Grants

A limited funds are available to support the attendance of selected participants from developing countries (other than Tunisian participants), in particular young scientists. We are grateful to the ICTP for funding.

Deadline:

5 August 2017

Registration

Please send the registration form available on www.tms.rnu.tn to the following address: habib.marzougui@fsb.rnu.tn
